Norfolk International Airport Reports on May 2024 Activity

NORFOLK, Va. - (June 13, 2024) – Norfolk International Airport (ORF) reported a 9.3 percent increase in passenger activity for May 2024 with 444,083 passengers. This figure compares to a May 2023 passenger count of 406,142. This May was the third-busiest month in the airport's history. ORF's total passenger count over the first five months of 2024 increased 9.9 percent representing 1,815,497 passengers compared to 1,651,982 passengers during the same period in 2023.

Notable service additions in May included nonstops to San Diego by Breeze Airways, and new Atlanta flights operated by Frontier Airways.

In other activity, 4,330,258 pounds of cargo were shipped in and out of the airport during May 2024, a 13.8 percent decrease compared to 5,026,076 pounds of cargo shipped in May 2023. From January to May, cargo pounds shipped decreased 22.1 percent representing 19,429,636 cargo pounds versus 29,946,757 cargo pounds during the first five months of the prior year.

The above-mentioned figures reflect service by scheduled airlines Allegiant, American, Breeze, Delta, Frontier, Southwest, Spirit, United and their airline partners, as well as charter airlines. All-cargo carriers include Federal Express and UPS.
